CONTRACTING, LLC

FA8137-21-G-0019

Period of Performance: 10/1/2021- 9/30/2026

\$200MM

Contract Ceiling

General Scope:

This contract consists of a broad range of mission critical, sustainment, maintenance, repair, alteration/renovation, and minor construction projects at Tinker Air Force Base (TAFB) and Oklahoma City region. Task order project classifications include **Design-Build, Partial Design-Build, and Design-Bid-Build** supporting the ACC's 552nd Air Command, AFRC's 507th Air Refueling Wing, 38th CEIG, DLA's Defense Distribution Oklahoma City, and the Navy's Strategic Communications Wing ONE. Task orders vary in frequency, size and complexity with scope fluctuations requiring VCC to maintain a diverse subcontractor pool with a mix of large and small businesses that renovate existing and construct new **large industrial buildings (which support overhaul and testing of aircraft, aircraft parts, engines and airframes) to office space, warehouses, computer facilities, dining facilities, dormitories, medical facilities and other community support facilities (e.g. base exchange and commissary) and utilities (including, water supply, storage and distribution, electrical distribution and backup generators, natural gas distribution, etc.)**.

VCC's MACB *Designer of Record* is Brandstetter Carroll, and local A&E support comes from Kirkpatrick Architecture Studio of Oklahoma City and MD Engineering. The firms collaborate and provide Engineering and Design support for Design-Build task orders and assist with technical design quality assurance on DBB projects. These partners are integral to the overall project and contract success for this MACB and the firms provide VCC with local knowledge, expertise, and skills necessary to deliver high quality outcomes for the U.S. Air Force and Tinker AFB.

Place of Performance: Tinker Air Force Base, OK

Vazquez Commercial Contracting, a HUBZone certified Small Business with +1,000 completed federal projects, has worked with the DoD and US Army since 2011 and has a superb safety history (Zero OSHA 300 recordable injuries). The VCC team employs personnel and owns/leases office space, warehouses, and equipment yards in *Kansas City, MO; Cincinnati, OH; Dayton, OH; Detroit, MI; Knoxville, TN; and Tampa, FL* and can quickly mobilize for emerging requirements. Vazquez anticipates a new office location in Oklahoma City, OK and/or Dallas-Fort Worth, TX to begin operations in 2023.
